Across America To Be HEARD!

We ask you to tell your truth. Be heard. Be seen. Stop feeling alone. Write an essay or create a piece of art that addresses this prompt:

***If someone only knew...***

**In defiance of the loss of Ash Haffner, Rebecca Sedwick, Blake Brockington and the many other youth who have chosen suicide, we want you to publish your story/art with Never Counted Out and never as a suicide note.**

Visit [www.nevercountedout.com](http://www.nevercountedout.com) and select *If Someone Only Knew* for submission details and guidelines.
